Additional information regarding Career Information and Employment can be obtained from SVI Employment Services http://sviweb.sccd.ctc.edu/sr_emp-resources.htm

At this time Seattle Vocational Institute is not required by the State or an accreditor to calculate a job placement rate for either the institution as a whole or for the specific GE Program. The National Center for Education Statistics (NCES) is currently developing a methodology that will be used to calculate placement rates for GE Programs. When the NCES methodology becomes available, SVI will use it to calculate GE Program's placement rates.
